Our Mission:

The Chester Business Association was founded in 1985 and is dedicated to the promotion and expansion of business in the Chester community by nurturing and providing an outlet for the natural pride that so many of us have for our "Village". The Chester Business Association promotes networking and personal and professional growth opportunity among its membership.

THE CHESTER BUSINESS ASSOCIATION:

- ▶ Promotes Chester's reputation as a "destination of choice" by supporting and initiating efforts that enliven, beautify and define the Chester "village" community.
- ▶ Administers and coordinates the usage of the banner poles across Route 10 promoting local and civic events and activities.
- ▶ Supports Chester Civic Organizations and activities in the efforts to make Chester a caring and informed community.
- ▶ Presents a local "business of the month" award to recognize outstanding business contributions to the Chester Community.
- ▶ Presents an annual "Sneed-Stebbins" award to a local businessperson recognizing outstanding business and community service to the Chester Community.
